3. Duration of Course:-

Duration of the Graduate Programme in Pharmaceutical Sciences shall be of eight semesters (four academic years) as prescribed by Board of Studies of Pharmaceutical Sciences.

4. Examination:-

Examination of all subjects of all semesters of Graduate Programme in Pharmaceutical Sciences shall be conducted by the R.T.M. Nagpur University as per the scheme of Examination prescribed by Board of Studies of Pharmaceutical Sciences

5. The fees for the examination shall be as prescribed by the Management Council from time to time and whenever any change is made in the fees prescribed for any particular examination that shall be notified through a notification for information of the examinees concerned.
6. An applicant for admission to an examination shall satisfy the Head of the Department/Principal in the Terminal and other Tests conducted during the academic year regarding his suitability to take the examination.
7. The maximum marks allotted to the sessional examination in each paper, the written part and the practical part for each of the Eight Examinations shall be as indicated in Appendices I, II, III and IV.
8. The scope of the subjects shall be as indicated in the syllabus
9. The Head of the Department of Pharmaceutical Sciences/Principal shall maintain in his office, a complete record of the marks obtained by the candidates in the sessional examinations. He shall, not less than 15 days before the commencement of the Examination, send to the Registrar, in a sealed cover the final marks in sessional examinations obtained by every applicant. No collegiate candidate shall be allowed to appear at an examination unless he obtains 40% of the total marks allotted to the sessionals of all subjects taken together for that examination.
10. In order to pass an examination, an examinee shall obtain not less than 45% of the total marks allotted to each theory and practical subject in the university and sessional Examination taken together as shown in the concerned Appendix.
11. There shall be no classification of successful examinees at First, Second and Third B. Pharm. Examinations.

12. Division of successful examinees at the Final B. Pharm. Examinations shall be determined on the basis of aggregate marks obtained at the Third and Final B. Pharm. Examinations (Semester V, VI, VII & VIII) taken together.
13. CGPA equal to 6.75 and above shall be considered as equivalent to First Class which shall be mentioned on Grade Card of VIII Semester as a foot note and all other successful examinees in the second division.
14. CGPA equal to 7.00 and above shall be considered as distinction in that particular subject
15. Explanation: Distinction shall be awarded at the Third and Final B. Pharm. Examinations separately.
16. An unsuccessful examinee at the First (I and II semester), Second (III and IV semester) or Third B. Pharm. (V and VI semester) Examination who fails to secure the prescribed minimum marks in not more than four theory papers, and not more than three practical examinations may, at his option, be admitted to a subsequent examination in that paper or practical only on payment of a fresh fee. An examinee under this provision shall be allowed to keep terms in the next higher class. He may take both examinations simultaneously, but his result at the higher examination shall not be declared unless he is declared successful at the lower examination.
17. The facility of provisional admission in next higher class will be restricted to two preceding qualifying semester examination. In the event the candidate has additional backlog of earlier semesters then such a candidate would not be eligible for provisional admission in any event.
18. An examinee failing in more than four theory papers and more than three practicals in particular year of the course may, at his option, appear as an ex-student at a subsequent examination in the subjects in which he has failed, on payment of fresh fee. If he clears the subject in which he has failed, he shall be declared to have passed the examination. An examinee availing of exemptions under the provisions of this paragraph shall not be allowed to keep terms at the next higher class.

Provided that an examinee, in the event of failing to pass the examination not succeeding in clearing enough number of subjects to bring him within the ambit of paragraph 16 shall be allowed to keep terms at the next higher class after the declaration of his subsequent result.
19. An unsuccessful examinee may appear as an ex-student at a subsequent examination in a subject in which he/she has failed, on the payment of fresh fees. "His/Her sessional marks/internal marks in last examination may be considered proportionate to the marks he/she obtained in the annual examination subject to declaration given by the students for Forego or keeping the same earlier sessional marks in an examination forms". He/Her sessional marks/internal marks in last examination may be refrained for subsequent examination or He/She may opt for sessional/internal marks proportional to the marks he/she secures in the subsequent university examination subject to declaration given by the candidate in examination application forms.
20. Students successful at the First, Second and the Third B. Pharm. old course examinations shall be admitted to the next higher class B. Pharm. new course, but shall be permitted to appear at the higher class new course examinations provided that they submit a certificate from the Head of the Department/Principal of the college (Pharmacy) stating that they have

satisfactorily undergone a course of study in all the subjects of new Course of earlier old B. Pharm. classes.

21. The absorption scheme of the graduate programme will be effective till the introduction of new syllabus with new absorption scheme.
22. Provisions of Ordinance No. 7-A relating to Condonation of Deficiency of Marks for passing an Examination shall apply to the examinations under this Ordinance
23. Notwithstanding anything to the contrary in this Ordinance the Degree of Bachelor of Pharmacy shall not be conferred upon a person unless:
He undergoes a Practical Training of not less than 8(Eight) weeks after taking the Third or Final B. Pharm. Examination in a Pharmaceutical concern approved by the Head of the Department/Principal and unless the Head of the Department /Principal certified that the person has satisfactorily completed the said Practical or Industrial Training as the case may be.
24. Notwithstanding anything to the contrary in this Ordinance no person shall be admitted to any of the examinations under this ordinance, if he has already passed the same examination or an equivalent examination of any other Statutory University.
25. Successful examinees at the First B. Pharm., Second B. Pharm., and Third B. Pharm. Examinations shall be entitled to receive a certificate signed by the Registrar and those successful at the Final B. Pharm. Examination shall on payment of the prescribed fees receive a Degree, in the prescribed form, signed by the Vice-Chancellor.
26. With the issuance of this Direction, The Direction No 2 of 2013 (Credit and Grade Based Semester pattern), shall stand repealed.
